Shrimp and Crab Roll served with Fries 15

Single Smash Burger, cheddar, red onions, pickles, Norfolk sauce served with fries 12

Liberty Square is named after The Sons of Liberty, a secret society that existed to protect the rights of colonists and protest against taxes from The Crown, and their official motto may ring familiar, "No taxation without representation."

LOST:1935

Elbert Square's namesake, Savannah native Samuel Elbert was briefly captured by the British during his time fighting for independence. They tried with all of their might to woo him with promotions and honors, but the man could not be swayed, and stayed true to the Continental Army.

LOST:1935

THE LOST SQUARE

The heart of Savannah lies in its squares. Originally, each square was the center of communal activity in each of the city's wards. As the squares developed through time, so did the history of Savannah, but somewhere along the way two of Savannah's squares were lost. We've brought you here to find them.

COCKTAILS

LOST SQUARE SPRITZ 12

Sparkling wine, raspberry-aperitif,
fino sherry, tonic, lemon
